## EXPERIENCE

MAY 2021 – PRESENT

**TECHNOLOGY SUPPORT ANALYST**, OISE

Working at the Education Commons in OISE as a technology support analyst where I help community members with technology issues while collaborating with a vast team of faculty members and students.

AUGUST 2019 – OCTOBER 2019

**LOGISTICS TEAM MEMBER**, TEDXYOUTH@HFSI2019

Coordinated with a logistics team of 30+ members for 50 hours to set up the event's technical facilities while ensuring the satisfaction of the guests. Built lifelong relationships with faculty members and honorable speakers at the event.

## EDUCATION

2020-2024

**HONORS BACHELOR OF SCIENCE**, UNIVERSITY OF TORONTO

Computer Science, Mathematics, and Statistics

2015-2020

**HIGH SCHOOL**, HIRANANDANI FOUNDATION SCHOOL INTERNATIONAL

IGCSE and International Baccalaureate Programs

## SKILLS

- Communication
- Problem Solving
- Decision Making
- Fluent in English, Elementary Fluency in German, and Hindi

## PROJECT

2019-2020

**MODBOT**

Created a discord bot created using the discord.py API. Implemented methods and classes for managing discord servers and additional features such as message deletion, user banning, 8ball games, quoter, Spotify music integration, and a movie recommender.
